Recent Key Achievements

Selected mandates delivered for our clients.

CBUAE Licensing for Retail Payment Services

Rasma Legal provided comprehensive, end-to-end guidance for our client's application for a Retail Payment Services License (Category II & III) with the CBUAE. Our services included:

Strategic Business Assessment	Precisely classified the client's business model to ensure accurate licensing.
Liaison with the Regulator	Facilitated direct communication with the CBUAE.
Comprehensive Documentation	Assembled, submitted, and meticulously managed all necessary documents including the business plan and a suite of policies and procedures.
Proactive Client Support	Addressed and resolved all client inquiries with prompt precision.
Development of Policies & Procedures	Developed tailored policies and procedures for rigorous compliance with CBUAE regulations.

CBUAE Licensing — Payment Token Custody, Transfer & Conversion

Our services encompass the following:

1

Preparing and presenting a detailed Business Case and regulatory business plan to the CBUAE, incorporating insights on market analysis, operational framework, and risk management strategies, as well as scalability.

2

Developing and submitting comprehensive policies and procedures, which include essential elements such as transaction monitoring, and AML/CFT and CDD measures.

3

Providing end-to-end guidance to our clients throughout the regulatory application process.

Leading the Way in Virtual Asset Licensing

Rasma Legal specializes in providing legal services tailored for the virtual assets sector. Our expertise was prominently showcased in our collaboration with a Virtual Asset Service Provider (VASP) pursuing a VARA license for offering various Virtual Asset Services, including, inter alia, Exchange, Broker-Dealer and Custody Services.

- Rasma Legal efficiently obtained the initial approval for the said VA exchange from VARA (the Virtual Assets Regulatory Authority) and assisted in setting up the legal structure within the relevant Dubai free zone.
- Subsequently, we were involved in applying for the final VASP License - preparing and submitting to VARA all essential documentation, including forms and policies designed to demonstrate rigorous compliance with AML-CFT Laws, corporate governance regulations, financial prerequisites, and technology & infrastructure mandates.
- Our team is well equipped to assist you and has a niche understanding of VARA.

If your business has an interest in applying for the VARA virtual assets, we would love to interact with you as to how you can obtain VARA approval, registration, and license.
